

VOLUNTEERS NEEDED!

Want to help return thousands of dollars to needy families living in your community?

Join other North Penn volunteers helping low-to-moderate income families find their way through the tax-filing maze. Last year alone, tens of thousands of dollars were returned to families in the North Penn area.

Volunteers are needed for the following positions:

- Site Coordinators
- Interpreters
- Screeners
- Tax Preparers
- Quality Reviewers
- Financial Stability Assistants

Please consider volunteering for one 4-hour session per week during the 13-week tax season from January-April 2010. No previous math or accounting experience is necessary and all training will be provided. Liability coverage under the Volunteer Protection Act of 1997 will apply.
